## APS Carpool Times

### Early Morning Care

For all children who are enrolled **Full Time (8:00-5:00)**, we offer **early morning care**. This is from **7:30-8:30am**. Carpool is not offered during this time. You will need to come to the 26<sup>th</sup> street entrance and ring the bell. You can drop your child in **Room 7** (first room after the office), and please bring your child's belongings into their classroom.

They will have a choice of cereal or toast, and milk or water. At 8:00, their morning teachers will come to get them and bring them to their own classrooms.

### Morning Carpool

We have morning carpool from **8:30-9:00**. The doors close promptly at 9:00.

If you arrive later than 9:00, please go to the side door on 26<sup>th</sup> street, ring the bell, and walk your child to their classroom.

If you arrive between 8:30-9:00 and you want to bring your child to their classroom, you must walk in through the carpool doors to your child's classroom. There will be no one opening the side door on 26<sup>th</sup> street between this time.

### Afternoon Carpool

Depending on your child's enrollment, we have three afternoon carpools.

For **half day** children, carpool pick up is at **12:45-1:00**.

For **part time** children, carpool pick up is at **3:15-3:30**.

For **full time** children, carpool pick up is at **4:45-5:00**.

\*If you would like to pick your child up at any other time, you are more than welcome too, but please know that you will need to park your car, come to the side entrance on 26<sup>th</sup> street, and pick up your child in their classroom.

### Friday Pick Up

Afternoon pick up is a bit different on Friday's because we close at 4:00pm.

For **half day** children, carpool pick up is still at **12:45-1:00**.

For **part time** children, carpool pick up is still at **3:15-3:30**.

For **full time** children, carpool pick up is at **3:45-4:00**.
