

BIRTHDAYS AT ALEPH PRESCHOOL

These special days come only once a year for each child at Aleph PreSchool and a small celebration with a crown and birthday song mark the day. Some parents have enjoyed sending a special birthday treat, but please do not feel that this is a must. We will still make the day special for your child. If you choose to send a treat please follow the guidelines below and read about some alternative suggestions. If parents/special people chose to join in the celebration please coordinate with the teacher prior to your arrival.

1. Please **DO NOT** provide home baked goodies. State health guidelines do not permit us to serve home baked items.
2. If you purchase bakery treats for the class they **MUST** be from a kosher certified bakery. Only Breadsmith's and Byerly's are acceptable. Sebastian Joe's Ice Cream has certain flavors that are kosher. Please check the labeling on the carton.
3. We have many allergies in our school; therefore we are completely a **NUT FREE** zone! This means **NO PEANUT BUTTER** or any item made in a facility that uses nuts of any kind. Please check ingredient labels!

4. Store bought items **MUST** have a Kosher symbols either circle U, circle K or triangle K on the package.
